Speaker: Jessica Lemann, Associate State Director of Outreach & Advocacy with AARP

Topic: **Fraud and Scams targeting older adults.** Have you ever been approached with a fraudulent offer or been a victim of identity theft? The AARP Fraud Watch Network is working to empower you in the fight, with proven resources and tools to help you spot and avoid identity theft and fraud. By taking a few practical steps you have the power to fight back against fraud. This 30-minute session will arm you with the latest data on fraud trends and provide tips and resources to protect you and your family.

Jessica has been with AARP for fifteen years beginning her career in the AARP Louisiana office as a Senior Program Coordinator overseeing their volunteer program and on their Livable Communities team serving the Hollygrove neighborhood of New Orleans in their rebuilding efforts after hurricane Katrina. Jessica has spent the last twelve year with AARP in Austin as the Senior Associate State Director of Outreach and Advocacy. In this role she works with volunteers and community partners to bring AARP resources and programming to central Texas. She also advocates for policies and programs that make Austin an age-friendly community for people of all ages and one where older adults can remain independent in their home and communities for as long as they choose. Jessica is the proud mother of two sons and two dogs.
